

Getting the most out of your CSF Assurance Report

Below is a template HITRUST has created so organizations can communicate the benefits of the HITRUST CSF Assurance Program to their relying parties. If you need additional assistance communicating these benefits or if HITRUST can help in any other way to help you gain acceptance among your partners, please contact us at info@hitrustalliance.net or 469-269-1100.

Copy the below text, and then paste it into your text editor
